About Us

We are India's largest supplier and manufacturer of premium oil products like sesame oil, palm oil, mustard oil, peanut oil, and more. Our hardworking employees are committed to maintaining integrity and quality. To maintain a balance between our product sourcing and natural sourcing, we employ all necessary rigorous checks and ethical practices. Our company was established in 2016, and since then, we've been giving our customers high-quality, and premium oil. Our company's professionals provide every buyer with a simple and seamless working experience, including logistical guidance and safe delivery. We provide exclusive offers on every bulk supply, making the purchase affordable without sacrificing quality or freshness.

At **Vaidhya Group**, we offer every customer the highest quality supply of premium oils that are both healthy and sustainable additions to your home and business. We are a trusted brand, and our supplies are always in high demand in the Indian market. Our customers' trust makes us the more reliable option for any new buyer.

OUR VISION

A man in a dark suit stands with his back to the camera on the edge of a rocky cliff. He is looking out over a vast city skyline, likely New York City, with the Hudson River and the New York City skyline visible in the distance. The sky is a clear, light blue. The overall tone of the image is professional and aspirational.

- ❑ To provide customer centric through our people process and strategies.
- ❑ To be a globally recognized firm, providing innovative solutions to organizations.
